The screenshot displays the Odyssey Program web application. On the left is a map of the Portland, Oregon area, with labels for various locations including Woodland, St. Helens, Ridgefield, Battle Ground, Vancouver, Camas, Troutdale, Corbett, Gresham, and Portland. A red heart icon is placed over the Portland area. On the right is a sidebar menu with four icons: a red heart (Home), a blue house (Other Households), a blue rocket (Odyssey Program), and a green person (School). Below the icons is a message: "It doesn't look like you have any match yet. Contact your school for more options or check back for when more households join in!". Below the message is a search bar with a magnifying glass icon and the text "search for a household". At the bottom of the sidebar are two buttons: "Sort by Distance" and "Sort Alphabetically". A red arrow points from the text "Step 7" to the "SCHOOL" dropdown menu in the top navigation bar.
